

# Inspired curriculum. **Inspired children.**

## **Announcing the Fall 2006 opening of the Agora Cyber Charter School**

Founded by one of the nation's most successful public charter school leaders, the home-based Agora Cyber Charter School is the only K12 Inc. Certified School in Pennsylvania, using both the award-winning curriculum and school management services provided by K12.

Incorporating the best research on how children actually learn, and focusing on real mastery of key concepts and skills, Agora uses education strategies that succeed.

- **Inspired curriculum designed to exceed state standards**
- **Certified, friendly, and responsive teachers**
- **Organized educational and social activities**
- **Online teacher conferences, lesson instruction, and discussions**

**Join us** at a Meet-and-Greet to learn more about this innovative public school option.
